ONLY AT LUXOR LAS VEGAS

Las Vegas – Criss Angel, in partnership with Cirque du Soleil, presents **CRISS ANGEL Believe**, an illusion spectacular based at Luxor Hotel & Casino.

Awarded Magician of the Century, Criss Angel brings his arsenal of magic feats that delve deep into the minds of audience members and leave guests in a state of bewilderment, awe and fascination. The 90-minute production includes some of the most amazing illusions ever-presented onstage, from the upside down straightjacket escape that Harry Houdini dared decades ago, to the newest of illusions straight from the creation of Criss Angel, including making a true-to life sized motorcycle appear onstage.

Recognized as one of the most provocative artists in the world today, Angel seeks his inspiration from the great Harry Houdini. On his death bed, the legendary magician and escape artist, Houdini, told his wife the following; "After my death, many people will claim that they are still able to communicate with me. If their claims are valid, they will be able to tell you a code word – that word is BELIEVE," thus the name Criss chose for this unprecedented life experience.

CRISS ANGEL Believe is presented in the 1,533 seat custom-built theater at Luxor Las Vegas.
