La NoubA Fun Facts

- *La NoubA* premiered in Orlando on December 23, 1998. It was the third resident show ever created - after *Mystère* and "O" in Las Vegas. *La NoubA* will take a final bow on December 31, 2017.
- *La NoubA* celebrated its 15th Anniversary with a special appearance from Disney Pals, Mickey Mouse and Minnie Mouse.
- *La NoubA* comes from the French phrase "faire la noubA," which means "to party," or "to live it up."
- Since launch, *La NoubA* has entertained over 11.1 million guests and has performed over 8,600 shows.
- The 1,671-seat theater is the first freestanding permanent structure ever built for *Cirque du Soleil*. Set Designer Michel Crête of *Cirque du Soleil*, Michel Aubé of Scéno Plus, Walt Disney Imagineering, and the architects of the Rockwell group of New York collaborated on the overall design of the building.
- There are 1730 audio cables – if placed end to end they would span 865,000 ft or 164 miles.
- Over 1200 lighting fixtures are used for each performance of *La NoubA*.
- The *La NoubA* Stage Managers have said "go" over 1 million times.
- The most expensive item sold at the *La NoubA* Boutique was a bronze Le Titan Sculpture that sold for \$12,500.
- Since launch, the wardrobe department has handled over 21,510,000 costumes and headpieces.
- Most of the 65 artists performing in *La NoubA* wear three different costumes per show.
- 600 rhinestones are hand applied to each of the three Le Cons costumes; 8 costumes are worn each night.
- Since the launch of the show, *La NoubA* has used over 43,500 balloons in the show.
- There have been over 2.8 million flips in the PowerTrack act since the show launched.
- During the PowerTrack act you will see 394 Flips and 62 Twists in seven minutes.
- There has been 285 miles traveled by the little train used by the imaginary frog in the show – more miles from Orlando to Miami.
- Six musicians play 22 instruments in the show – live, each night!
